# Our Services

## Sourcing

**Supplier Identification:** Our dedicated research team continuously identifies new suppliers based on their product range, financial status, infrastructure, man power and efficiency of management. Also, our dedicated team continuously updates relevant information on new manufacturers and new products so you can get the best supplier data for your needs. Even advanced information pertaining to new varieties of value additions, fabric, accessories, new technology area and quota availability is also updated. You can rest assured; **SPARK CLOTHING LTD** is your fresh, relevant and most advanced supplier data informer.

## Sampling

**SPARK CLOTHING LTD** is having samples section and we can develop 25-50 pcs sample per day. We also gives you competitive edge over other importers by providing samples. We assure samples are developed to suit the season's colors, fabric and style based of our buyer's requirements. Just tell us your requirements and we'll courier samples to you directly. By offering this crucial service, we assist your marketing efforts in your own country and giving you the needed edge for more sales

# Our Services

## Quality Management

**SPARK CLOTHING LTD** closely monitors your orders from sampling to shipment. Status on sampling, production and shipment are send to buyers regularly. We maintain a pro-active approach towards identification of problem areas and corrective measures are taken immediately to ensure timely deliveries. We are dedicated to a complete customer satisfaction, and frequent reporting and highly responsive customer support are just our tools to your utmost satisfaction!

## Status Reporting

For a transparent process, status reports based on the multi-state inspections are transmitted to you by fax or email. Also, the production progress is analyzed in relation to the delivery terms and suitable course of actions taken to ensure goods are delivered in time. The consignment is allowed for shipment if only it is up to the buyers required standard. It is easy to see that all these sourcing and management services will not only save you time, frustration and fear of the unknown, but it will save you money!

# Our Services

## Quality Control / Assurance

Our Quality heads are visiting the factory regularly to make sure we meet our Buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet according to buyer's requirement. We always want to deliver satisfaction to our customers; We monitor the order from sourcing of raw materials and accessories to production and up to the final shipment goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage

## Packaging

Only approved goods are packed and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instruction of the buyer are respected.

## Shipment / Cargo Handling

All shipping documents reviewed and verified as per buyer instruction. All cargo is handled by reputable forwarder to obtain correct Information regarding ETD and ETA of vessels because time is as important for us as it is to the buyer.
